

Please do not let K-Love off the radio here in El Paso. The station that I listen to is heard on 89.5 and I don't know what I would do if it was taken off the air. K-Love is a daily part of my life here in El Paso. I went on vacation to the D.C. area and not one station played K-love and I really felt like my days were not complete without it. So many of my co-workers listen all day, every day, and the positive and encouraging message they send is so important to our community. We need to hear the word of God. Please do not take K-Love off the air. Thank you for your time.
